Rising Stars Horse and Rider Development Program™

What is the Rising Stars program?

The Rising Stars program provides high quality horses for riders who may not otherwise be able to purchase a horse appropriate for their level of riding.

Why did Liberty Farms start the Rising Stars program?

The owners of Liberty Farms want to give back to the horse community, especially talented riders who are not able to purchase the quality of horses they need. Having grown up in large families with limited incomes, the owners of Liberty Farms understand what it's like to compete against someone who owns a superior mount strictly due to finances.

How does the Rising Stars program work?

Liberty Farms always accepts applications for this program and horses are awarded based on horse availability as well as other factors gleaned from applications, references, interviews, site visits, and other aspects of the application process. It is of the utmost importance to Liberty Farms that our horses go to qualified homes which we determine on a case-by-case basis and at our sole discretion. Preference is given to residents of Western Washington. There are three options available to Rising Stars:

- Purchase a horse at a discounted price
- Lease a horse
- Develop a horse and share in the profits when the horse is sold
